There is a cure for dyspepsia. Sufferers who have tried noxious nostrums will probably be skeptical but skepti-cism vanishes when Stuart's Dyspepsia Tablets are tried. Whether the trouble

is dyspepsia of long standing, or mere-ly a simple case of indigestion, relief is prompt and pronounced. The less the trouble the fewer tablets need be

Heaviness after eating, sour stomach, as indicated by belching, fatigue with slight exertion or with no exertion at all, disturbed sleep, nervousness, constipation, depression, "blues," these things can commonly be set down as symptoms of dyspepsia. And dyspepsia is merely indigestion in an aggravated form.

By promoting perfect digestion, Stu-art's Dyspepsia Tablets produces strong nerves, restful, refreshing sleep, pure blood and good sound healthy flesh. They make the skin clear, the eyes oright, the mind cheerful. Stuart's Dyspepsia Tablets are a

medicine and more than a medicine. They digest the food and make it easy of assimilation, and they relieve the in-flamed, diseased condition of the membraneous linings and the glands of the stomach and bowels. They help the digestive organs over the hard places, and put them into a healthy, active condition. They effect a quick and permanent cure. You don't have to continue taking them forever, still it is well to have a box handy and take one at the first return of the trouble.

Ferfectly well people are made sick by eating too much, or unwholesome food, but not if they take a tablet after cating. Treatment with Stuart's Dyspepsia Tablets does not necessitate dieting or any change of habits. They digest the proper food and act upon the other kind in such a way as to make it pass off quickly and harmless-ly. You may eat and drink what you like, when you like, and as much as you like if you take a tablet after-yards.
